

JANE THOMAS

Janis,
To a real sharp
girl who had a tall
dream and won't tell
me about it. Good luck
in everything. "Jeyman"

JAN

TO A GREAT SENIOR
that I've known for
A long time. Remember
when we rode along
and talked about the
birds & the bees....
TAKE CARE LOVE

Dedication

This year, the yearbook staff proudly dedicates the 1974 La Saltianna to our advisor, Mrs. Mary Lee Cunningham. Without her guidance it would have been impossible for us to present this yearbook. Not only does she direct the yearbook staff, but also gives her time to other school activities. She serves as the Girls Basketball Coach, and also sponsors the Girls' Athletic Association and the Cheerleaders. We, the La Saltianna staff, express our thanks on behalf of the entire school.

IF . . .

IF

If a picture paints a thousand words,
Then why can't I paint you?
The words will never show
The you I've come to know.

If a face could launch a thousand ships,
Then where am I to go?
There's no one home but you;
You're all that's left me, too.
And when my love for life is running dry,
You come and pour yourself on me.

If a man could be two places at one time,
I'd be with you.
Tomorrow and today, beside you all the way.

If the world should stop revolving,
Spinning slowly down to die,
I'd spend the end with you,
And when the world was through,
Then one by one the stars would all go out,
Then you and I would simply fly away.

If, by Bread, was chosen as the Senior Class song.

If a picture paints a thousand words . . .

If a face could launch a thousand ships . . .

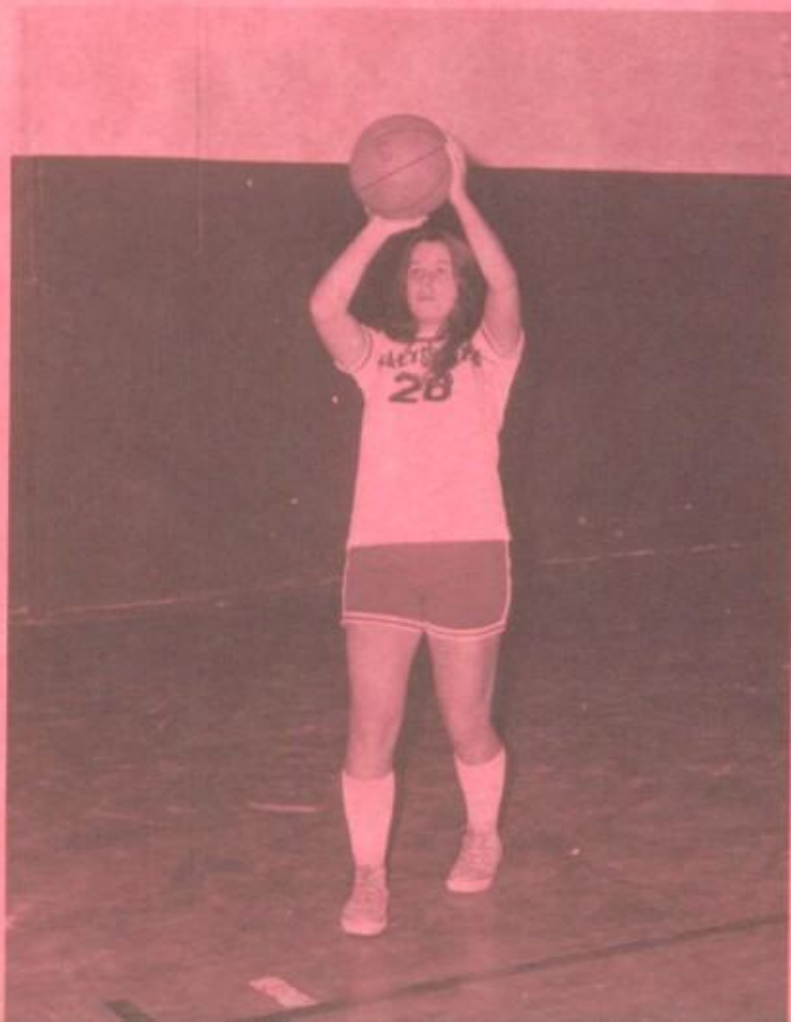

If a man could be two places at one time . . .

If the world should stop revolving . . .

If You Knew Susie . . .

If I Were A Rich Man . . .

I'd have lots of money . . .

To buy a new movie screen

To fix the office door

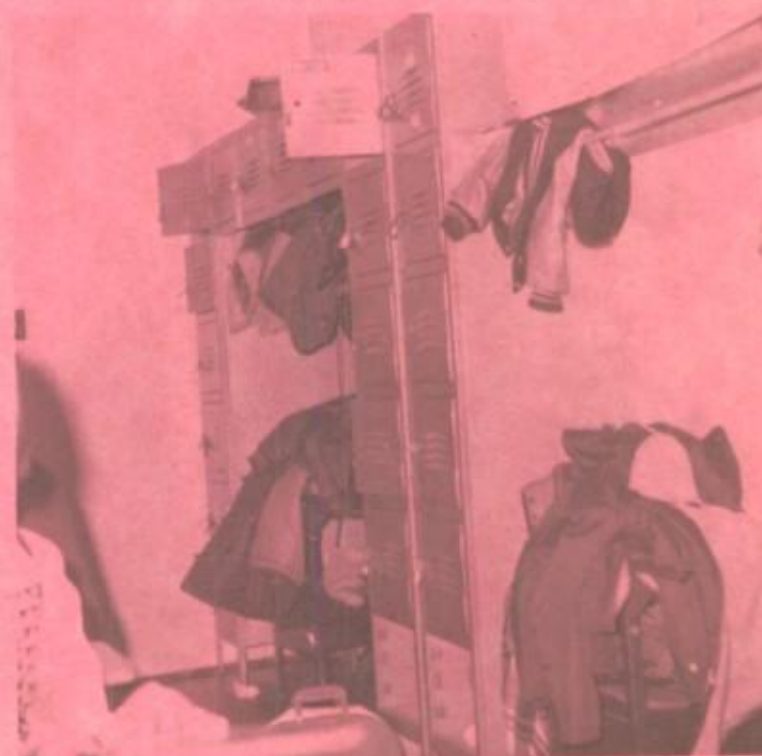

To buy new cafeteria tables.

To buy NEW seats in auditorium

To buy new lockers

If You Can Wait And Not Get Tired Of Waiting . . .

. . . for a couple more years experience.

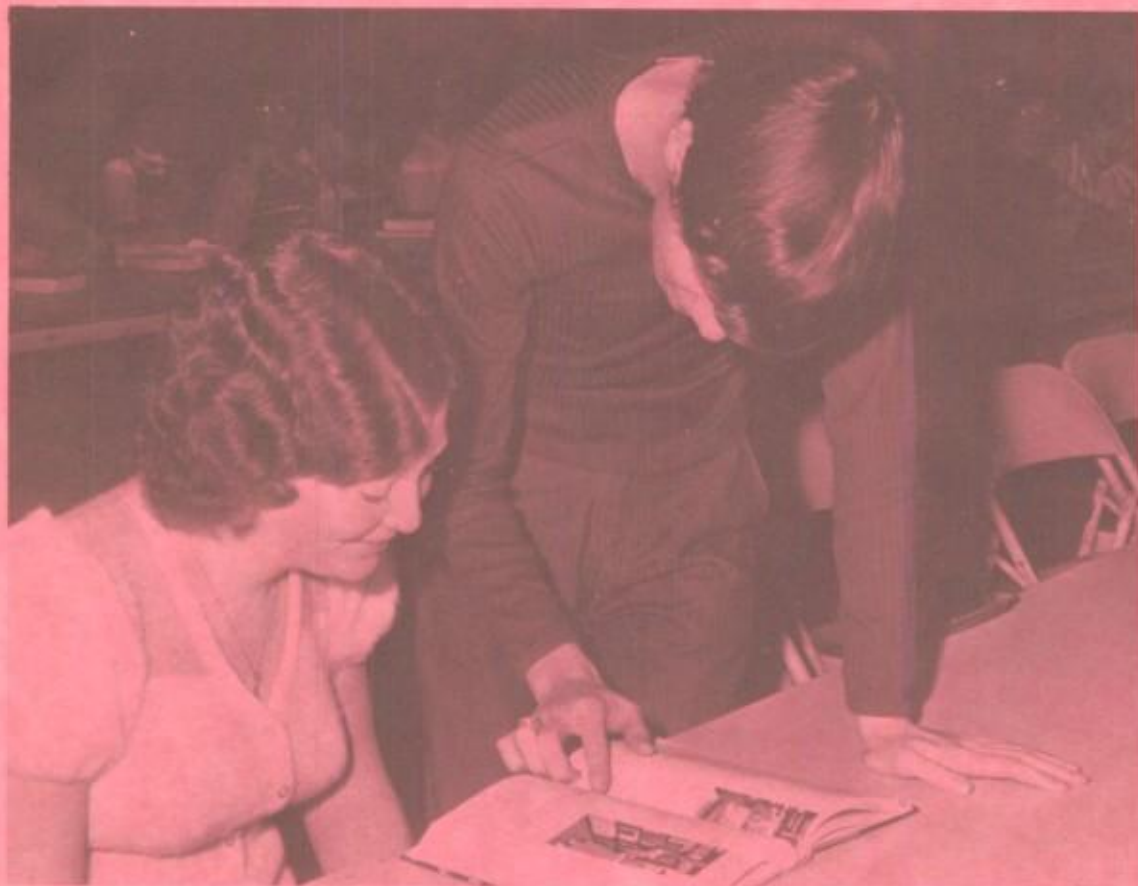

. . . for some lunch.

. . . for a drink.

. . . for a chance to call Cindy.

I could study with Gary or . . .

I could dance with Dave or . . .

I could cook for Mitch or . . .

I could learn to play chess with David . . .

If I Were The Only Girl In The World . . .

If I Were A Carpenter . . .

If I were a carpenter, I'd miss my thumb!!

If I were a carpenter, my job would be easier.

If I were a carpenter, I wouldn't be a janitor!

If I were a carpenter, would I be welding???

If Only . . .

If only I could tie my shoe by myself.

If only we weren't being watched.

If only everyone had school spirit.

If only I could get down!!

If I Could Save Time In A Bottle . . .

I would go back to 3rd grade, to play periods and no homework.

In "71" our 9th grade class held the annual sweater hop, "Great Lovers"

In "73" we presented the Junior prom "Tara." Jim and Melinda and Linda and Tom were two of the couples that went.

Deb and Mitch save the time when they were in the "69" sweater hop.

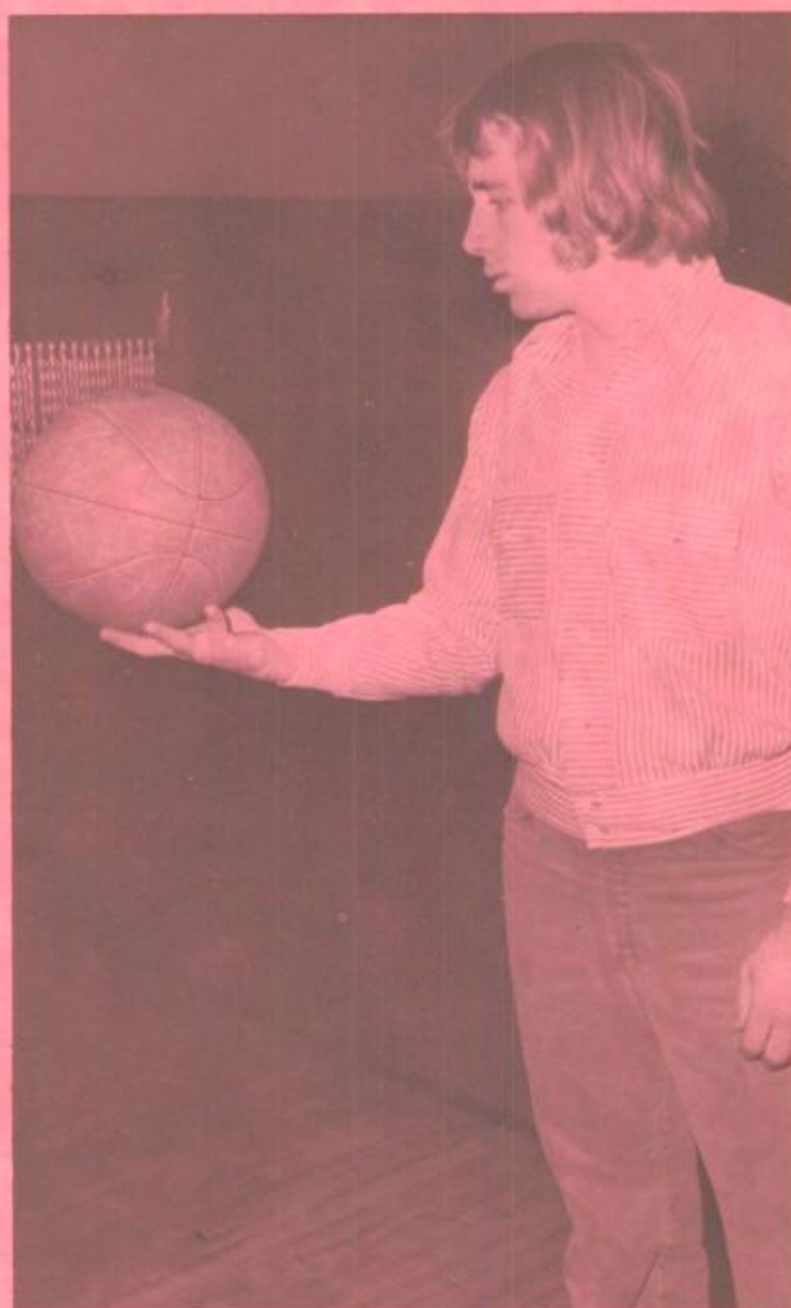

In our Sophomore year we remember the happy time we got our rings.

If Ever I Would Leave You . . .

ABOVE: the seniors will be leaving this school and going on to something new. BELOW: the love of a young couple could never be separated.

ABOVE: What would I do?
BELOW: In May graduation.

SENIORS

Senior Class History

Upon entering our high school as its youngest members in the fall of 1968, it seemed like decades would have to pass before our graduation. Running through the halls to get to our next class and knocking books from the arms of upper classmen were the main accomplishments of our first year.

As we entered eighth grade, we were proud of the fact that we had endured our first year among the older students and faculty. We began feeling confident in our abilities to compete with others older and more knowledgeable.

In our third year, we finally received a name—Freshmen! It was the beginning of our Junior High activities. The first test of our abilities was to organize the Freshman Class Sweater Hop. "Great Lovers" was the name we had decided on. We based it on famous women and men such as Romeo and Juliet or Anthony and Cleopatra.

In our fourth year, being Sophomores, we were able to join almost any club and pay dues like everyone else. Not that we would be able to participate in any club activities, of course, since we were out-voted by the Seniors and Juniors. We had a wild Christmas dance complete with blacklights and posters. Then later, in the spring, we cheered the performance of our Senior High Chorus in our annual musical "Oliver."

At the beginning of our Junior year the realization came to our minds that in a little over a year we would be graduating. With this thought, we all began enjoying our last two years to the fullest. We studied for college board tests and later moaned over the results.

Planning our futures was our next objective. There was a rush to send in applications to various colleges and business schools. As we awaited the answers, something was approaching that would occupy our minds for several months—our Junior prom! We worked non-stop selling pizzas, ski hats and various flavors of cookies and cakes, and in the end were rewarded by the success of our brainchild, "Tara." Named after the southern plantation in "Gone With the Wind," it seemed to actually take us back in time as we enjoyed ourselves dancing and partying.

As the curtain came up for our remaining year, we all began to sense a forthcoming loss, when we would leave our school. We had a wonderful Sweater Hop and Prom this year and give credit to our Sophomores and Juniors for doing such a good job. Our hopes go to future graduates with the sincere wish that they will enjoy their school years also.

ACTIVITIES

P.Y.E.A.

The Youth Education Association, formerly known as the Future Teachers of America, is an organization dedicated to students seeking a better education, through Teaching Days at the High School, and elementary schools; and field trips to local college campuses to get a closer look at college life. During the course of the year the Y.E.A. has gone on two field trips. They visited Carnegie Museum in Pittsburgh, and later went to Slippery Rock College. Various other activities were carried out by the Y.E.A. throughout the year, and all formed to make the 1973-74 Y.E.A., a worthwhile organization to its members.

Lettermen

Without a doubt, the Girls' Varsity S is the most elite and select group of girls in the school.

Elegibility for membership is limited to girls who have lettered in a varsity sport (there is only one) or cheerleading.

These girls sponsored the first Jr. High Dance and their second Sr. High Dance.

Varsity Club-The men who represent our school through their athletic ability, also spend many hours selling and collecting tickets, and popping pop-corn in order to earn sufficient money to purchase letters and jackets.

The Class of 1974, with all their athletic ability, put a heavy demand on the organization this year.

Honored Students

The Saltsburg Chapter of the National Honor Society of Secondary Schools was established and recognized by the National Council in May, 1968. This organization promotes four cardinal qualities which outstanding students are devoted to. They are character, scholarship, leadership and service.

The members of this organization are a very special group of students who are required to maintain a 3.2 average. Upon failing to meet this requirement, members are placed on probation for six weeks, giving them a chance to again achieve a 3.2 average. Students acquiring this average in their sophomore year become preliminary members for the following year.

This years' N.H.S. held it's dance, "Your Song," in February, and in March held initiation for the Junior members. At the close of the school year, new officers are elected for the forthcoming year.

Officers: President, Dave Zuchelli; Vice President, Bernard Rob; Secretary, Kathy Hanna; Treasurer, Dawn Bouch.

School Leadership

The Saltzburg High School Student Council was formed in the fall of 1970, and has greatly improved the condition of this school. In former years the Student Council has helped give our school a flag pole for the athletic field, and sponsored the purchasing of a trophy case, to which many organizations also gave generously of their funds. Towards the end of this year the Student Council presented the school with new curtains for our stage. These contributions were made possible through the annual candy sale.

Sports, Anyone???

"A sport for every girl, and a girl in every sport" is the goal of the Girls' Athletic Association. This goal is not easily attained due to the limited facilities.

Over 100 girls love sports and competition enough to sacrifice their lunch time to enjoy basketball and volleyball games. The highlights of the fall season is the Annual Powder Puff Football game between the Seniors and Juniors.

Awards are made to those girls who contribute the most to the organization through participation.

G.A.A. officers: President-Annette Dunmire, Vice President-Michele Kopchick, Secretary-Cindy Sheleheda, Treasurer-Paula Nepsha, Football Chairman-Jean Sloan, Basketball Chairman-Linda Boring, Volleyball Chairman-Chris Julian, Miscellaneous points Chairman-Mary Jane Staymates.

Agricultural Leaders: Our Farmers

The fine young members in the Future Farmers of America are students of the Vocational Agriculture Course given in our school. Hard work is put forth by these members to prepare for competition in parliamentary procedure as well as the showing of animals. A new addition for the club this year is a female member. Officers are President: Mike Cribbs; Vice President: Dave Cribbs; Secretary: Joe Bedick; Treasurer: Ron Bartlebaugh (ab.); Chaplin: Dave Bruzda; Reporter: Anthony Encisco.

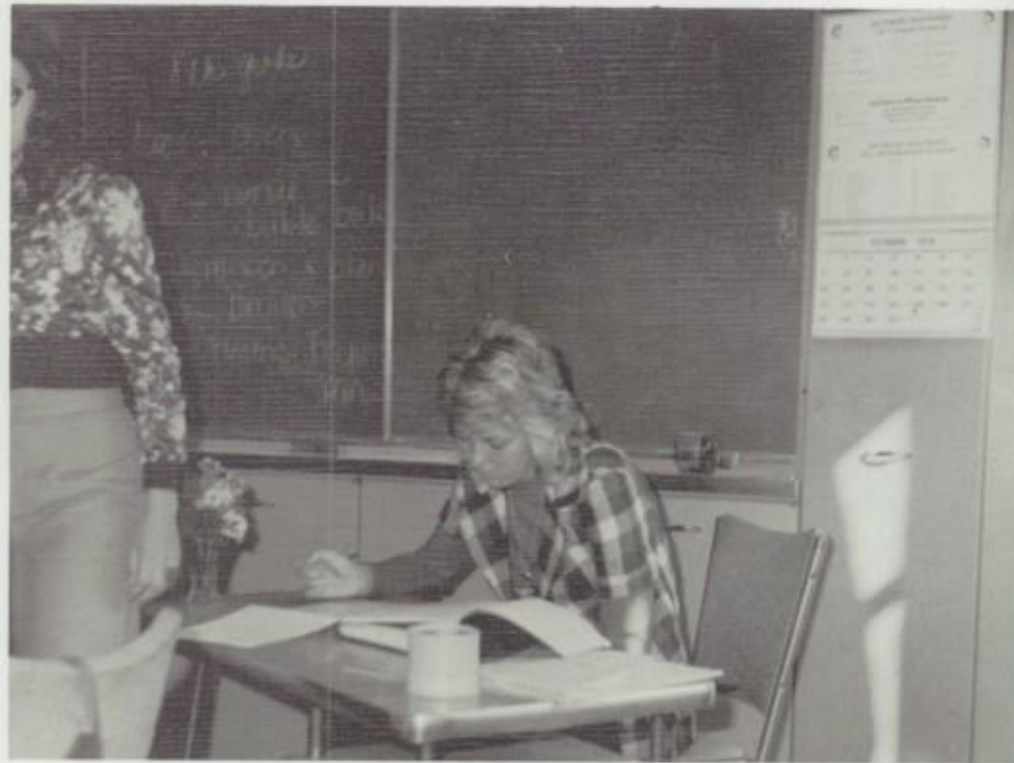

Helping Hands

The members of the Stage Crew are right on the spot whenever the stage needs set. They are hard and fast workers who never seem to complain about difficult jobs.

Homemaker, Wife, Mother

The Future Homemakers of America are young women who are devoted to become well adjusted individuals with these values: high morals, faith, human dignity, spiritual trust and most important, the necessity of love in the home.

President-Linda Clawson, Vice President-Becky Hemphill, Secretary-Lori Gould, Treasurer-Darlene Brady, Parliamentarian-Kathy Ghiardi, Vice President of Devotions-Annette Bankage, Chairman of Activities-Bev Mock, Historian-Lou Ann Rob, Publicity-Sue Bair.

Junior High Officers: Kim Clawson, Marcy Miller, Mary Sue Kopchick, Linda Mash, Michelle Rossi, Karen Johns, Cathy Blasin, Kathy Hemphill, Sherry Bendis.

King, Rooks, and Bishops . . .

All the Fishers and Spaskys of Saltsburg joined together in a battle of the boards as many competitors strived to "check" their opponents. Under the watchful eye of the specialist, Mr. Gasperini, the students matched their wits in silence.

Patience, logic and skill combined to make the Champion Chess player!

Los Estudiantes de Español

Speaking fluent Spanish is one of the talents of our Junior High Students. Having the opportunity of learning about Spain and its cultural background, these students work with Mr. Poliziani and a student teacher to increase their knowledge and stimulate their curiosity. "Buena sur-té" to these students!

Hunters, Fishermen . . .

Sportsman's Club is the largest of the activities with a membership of 152 members. Their meetings are a combination of movies, speakers and door prizes. All of the activities that go on deal with hunting, fishing and trapping.

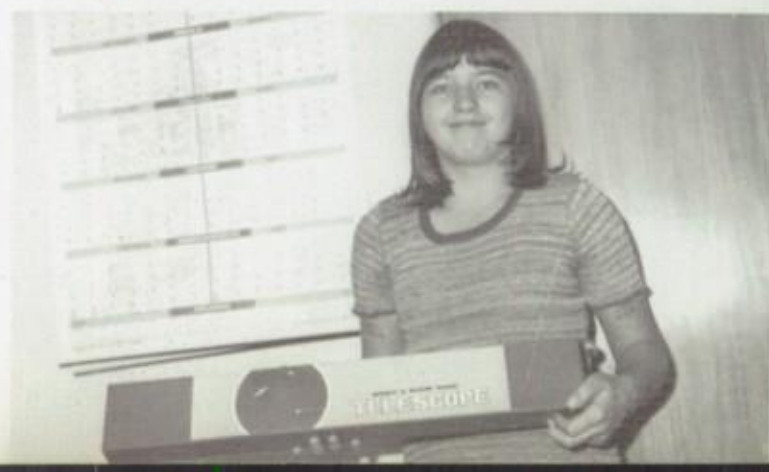

Officers: Doug Bieda, President; John Vatter, Vice President; Caroline Deluca, Secretary; Andy Kachonik, Treasurer.

Magazines Galore

The Junior high takes part in a Magazine Campaign every year to raise money for our school's Library. Each homeroom picks a captain as their representative for the sale. Prizes are given to high salesmen who accept them with great pride. Give them a little help when they knock at your door!

Creative Individuals

The Literary Magazine staff puts forth a great deal of effort to publish Saltsburg's Annual Literary Magazine. It comes off the press at the end of the school year and contains literary contributions from many students.

Mrs. Cunningham

Last Spring the 1974 yearbook staff started planning this book in a conference at Treasure Lake. Since then many hours of work have been given to this cause by dedicated young people who wanted to preserve forever the memories encased in this volume. It is not an easy job to tackle the responsibilities of the La Saltianna, but it is a job that provides many rewards. This is a book that will remain on countless bookshelves for years to come, and this is the staff that deserves the appreciation of the student body for their untiring efforts.

Yearbook Co-Staff

These are the people who devoted much of their time to assist the Senior editors in creating this, the 1974 edition of La Saltianna. The staff wishes to thank all those who made our dance, "Rock Around the Clock" a success. Congratulations to King Jit, and Queen Chris!

Homecoming '73

The start of an exciting week for Paula Gais, Linda Clawson, Lorrie Marsaln, Melinda Strong and Debbie Rossi.

At halftime the five excited and nervous girls on the court were escorted on the field by their handsome escorts: Doug Bieda, Dave Machak, John Vatter, John Bodenhagen and Dave Johnson. Tearful Melinda Strong was crowned Queen.

The evening went on with more excitement when the Trojans won 45-0 over Edgewood, and after the victory, alumni and students moved on to the school to be entertained by the Jolly Hopps.

King Wayne And Queen Annette

1974 Freshman Sweater Hop “Beyond The Yellow Brick Road”

Announcers-Gary Kwisnek and Leisa Resnick

Ushers-Donald Stitt, Dorinda Lytle, Pam Yingling,
Jim Johnson

President Randy Busi pins flower on
sponsor, Mr. Poliziani.

Sweater Hop! The night of expectation arrived as an array of colorful sweaters adorned THE STAGE!

The Freshman planned coronation, entitled "Beyond the Yellow Brick Road," filled the auditorium with anticipation awaiting the crowning of King Wayne and Queen Annette.

The crowded dance floor spoke favorably for the success of this exciting highlight of the school year.

Cheerleaders

From a field of 90 eager cheering enthusiasts, twenty girls were chosen to represent our school at all the major sporting events. From the middle of August until the end of February, these girls spend hours of time practicing, making signs, planning homecoming, leading pep rallies and cheering for our athletes. They are dedicated to this position and are under constant scrutiny of their fellow students and faculty.

Just figure out the traveling time alone! It is a fantastic job they do—and without a complaint.

Many a youngster looks up to them and uses them as their idol. And the job they do is stupendous—with only the reward of satisfaction for putting forth their best efforts.

Our school is grateful to them for their many contributions to the enjoyment of our life at Saltsburg.

Varsity Cheerleaders

Lorraine Marsaln
Co-Captain

Paula Nepsha
Captain

These peppy girls make the nucleus of the "Spirit of Saltsburg." No amount of rain, hail, sleet, snow or mud can keep them from cheering for the various sports teams. Miles of riding to and from game, hours of practice, stacks of posters, and arranging Homecoming makes these girls just "extra special." The yearbook salutes their contribution to our school life!

Janus,
 To a really nice and cute
 senior! Hope your future
 is filled with
 many happy moments
 cherished memories
 and lots-a-luck!!

Jan,

Well, whats to say. Weve only become close friends this past year, and I sure don't want it to end here. Thank for taking me horse back riding, we have to do it at least a million more times. Well Good luck & all that stuff. John

Janis,

To a very cute senior,
we had a good time
at the sweater Hop.
Good Luck in what
ever you do in the
future

Love
Melissa

Chris

Jan,
To a senior girl that
I've always thought
was so beautiful, and has
a really good personality, too.
I wish I had gotten to know
you better, though. Good
luck in everything, & I hope
you get the very
best in life!

Jan-ess

Hey, how can you write about all the fun times we've had. Things have gotten rough at times, especially for you but you must always remember... they do work out. If I've been any help to you, I'm glad to have done it. Please remember that the fun time don't stop here, after all once a "drunk" always a "drunk". Hey, next time you ^(wear) that outfit we made, drop by and let me see it. I'm glad we have been good friends and if you ever need anyone to talk to, write and I'll write you from college. By the way thanks for the little cheerleader. It brings back a lot of memories that we've had cheering. Don't forget me and please take care and keep touch.

Love,
Jim!

Janis,

To one of the prettiest girls that I could've got killed over, but no hard feelings. I think that things could be a lot better than usual but it's hard to do what you want. How could I put it into words about you because you're such a sweet and nice person. At least - I'll always remember you and I hope things could be better for us all. I'll be around this summer so I'll probably run into you a lot of times, we'll still have fun anyways. I don't want to be gooshy so I'll end this short. Good Luck in the future and be sure before any more moves. Be good (like I always am.) Love,
RA

74
I'm going to the bank to get better of me
Remember to Bless
those + R. H. A.
